ID	EP1US4
Name	Add questions into a survey
<p>User-Story Description: As an administrator, I would like to be able to add questions into a survey I am currently creating, so I can fill my survey with questions.</p> <p>Acceptance Criteria:</p> <ul style="list-style-type: none"> <li>• This survey will consist of as many questions as the admin wants.</li> <li>• The questions can be created from scratch, or drawn from the pool of generic questions.</li> <li>• The questions are multiple choice based.</li> <li>• Answers for the questions can be set and edited at any time.</li> </ul>	
Priority	7
Size	3 hours

**EP1US5**

ID	EP1US5
Name	Edit the survey
<p>User-Story Description: As an administrator, I would like to see all the questions I have added so far, so I can track my progress.</p> <p>Acceptance Criteria:</p> <ul style="list-style-type: none"><li>• After adding all the questions for the survey, they should be able to review the survey they just created.</li><li>• In the preview page, there should be a link to a page to change the questions added in the survey.</li><li>• The admin should be able to swap the order which questions are set.</li><li>• There should be a button to post the survey.</li></ul>	
Priority	5
Size	8 hours

**EP1US6**

ID	EP1US6
Name	Posting a survey
<p>User-Story Description: As an administrator, I would like to publish a link, so that anyone who has this link can complete the survey.</p> <p>Acceptance Criteria:</p> <ul style="list-style-type: none"><li>• After posting a survey, the page should generate a link so that anyone with the link can access it.</li><li>• If a survey doesn't include any question, it would show me error message "the survey doesn't have any question", and couldn't be posted. There should be two buttons in the page, one is "Cancel" and another one is "Edit this Survey".</li><li>• Respondents can click on the link and directly access the survey.</li></ul>	
Priority	6
Size	2 hours

**EP1US7**

ID	EP1US7
Name	Show statistics
<p>User-Story Description: As an administrator, I would like to be able to view the data of all active surveys, so I can track their progress.</p> <p>Acceptance Criteria:</p> <ul style="list-style-type: none"><li>• Show the questions with corresponding data from answers.</li><li>• All the running questionnaires should show current statistics.</li><li>• This data can be produced as a statistics report.</li><li>• The admin can share a link with results to a particular course survey.</li></ul>	
Priority	7
Size	5 hours

**EP1US8**

ID	EP1US8
Name	Management Page
<p>User-Story Description: As an admin, I would like to have to have a management page, so that I can manage all the survey that has been created.</p> <p>Acceptance Criteria:</p> <ul style="list-style-type: none"><li>• Can only be accessed by the admin.</li><li>• Will contain all the surveys that have been created.</li><li>• When the survey is posted or ended, it would redirect you to the management page.</li><li>• The page will contain a button for creating a new survey.</li></ul>	
Priority	7
Size	6 hours

**EP2US1**

ID	EP2US1
Name	Respondent access to a survey
<p>User-Story Description: As a respondent, I would like to receive and access the link provided by the administrator, so that I could fill out the survey.</p> <p>Acceptance Criteria:</p> <ul style="list-style-type: none"><li>• Respondents could access pages on the platform through links provided (no authentication is required).</li><li>• When they click on the link, it will redirect them to the survey page.</li><li>• The link should take them straight to the survey.</li><li>• It should be readily available for them to access.</li><li>• It should not take very long to access a course survey.</li></ul>	
Priority	7
Size	3 hours

**EP2US2**

ID	EP2US2
Name	Respondent, data access
<p>User-Story Description: As a respondent, I would like access to a link on the site which takes me to the results, so I can see other peoples thoughts of the course.</p> <p>Acceptance Criteria:</p> <ul style="list-style-type: none"><li>• The link should be readily available for me to use.</li><li>• The survey access should be fast, from the link.</li><li>• Will only be available with administrator permission.</li></ul>	
Priority	4
Size	1 hours

**EP2US3**

ID	EP2US2
Name	Respondent survey completion
<p>User-Story Description: As a respondent, I want to fill in my answers to the multiple choices for each question.</p> <p>Acceptance Criteria:</p> <ul style="list-style-type: none"><li>• The questions should not be too complicated, and easy to answer.</li><li>• A button for submitting the survey should be available to the respondent.</li><li>• Can change answer at any time.</li></ul>	
Priority	8
Size	1 hours
